

Our top Medicare clips to devour!

We've got a great YouTube Channel full of Medicare related videos for you to continually learn the "ins and the outs" of the system (which is difficult!). MOST people should really focus on a few of them to get a good foundation set. So, here they are!

Medigap vs Medicare Advantage/The Great Medicare Debate

One of the most important things to understand within the Medicare system is that there are "two paths" to coverage. Take some time to really understand how they differ from one another. Still need more? Dive into the 2 related videos posted below....

Considering Cobra Coverage??

Be SUPER careful if you are ELIGIBLE for Medicare and considering enrolling into Cobra coverage after you have separated from your employer. If you don't, just know that Cobra issues can come back to bite you (no pun intended!)

Medicare Annual Election Period (Open Enrollment?)//Explained

What in the world can you (and can't you) do during the Annual Election Period? *This time zone is commonly confused with the term "open enrollment"* Watch this a few times so that you will have a successful enrollment season each year.

Signing up for Medicare at age 65//The Transition

If you are TURNING 65 and need to enroll into Medicare? Here's how! It's a different process than when you are enrolling at age 68, for example.

Signing up for Medicare AFTER age 65//What you need to know

Like we said above, it's a DIFFERENT process when you are enrolling into Medicare when you are beyond age 65. You're typically leaving employer insurance behind and "then what?" - We walk you through the entire process in this clip.

Medicare Supplements "Medigap"// Explained

Here's the deep dive into MEDIGAP plans. A great clip that will help you to really understand exactly what it is that you are purchasing.

Medicare Advantage Plans Explained (Part C)

Not sure if Medigap is for you? Learn about the other path you can take for your Medicare coverage. Medicare Advantage plans are another option. Watch completely and compare with Medigap plans to determine which style plan is best for you.

What does Medicare cost?

Most of the people that work with us don't realize the true costs of Medicare. There are Part B premiums, premiums for other plans, out-of-pocket costs for medications and more. In this episode, learn what your base premium to Medicare will be.

Thanks for watching! Be sure and SUBSCRIBE to the channel!

Because Medicare is truly a process; not just a product
